

Application for Non-Degree Admission

Persons who have graduated from a recognized high school, or have the educational equivalent and demonstrate ability to succeed in college level work, but who are not interested in seeking a degree, may attend the University as "non-degree" students. Admission criteria are more flexible than for degree seeking students although all other campus policies, including maintaining satisfactory academic progress apply. Each case will be considered on its own merits. Dependent on academic qualifications some non-degree students may be admitted on academic probation. Non-degree students are not eligible for student financial aid and are not candidates for degrees, although they may later seek degree candidacy. For information about changing classification from non-degree to degree candidate, or to obtain a form to apply for degree-seeking student status, contact the Office of Admissions, University of Minnesota, Crookston, MN 56716 (218-281-8569).

DIRECTIONS: All information on this form is private. Items prefaced by boldfaced numerals (e.g., **1**) are required; they will be used for identification, to determine admission, and to establish your University academic record if you are admitted. The remaining items, including Social Security number, are voluntary and will be used for positive identification, advising and counseling, course placement, and institutional research. Failure to provide this information will have no effect on your admission decision. Information will be shared with offices within the University for the uses described above and may be released outside the University to organizations conducting studies on its behalf. Students must fill out application each semester. **Email your complete application to the Office of Admissions at umcinfo@umn.edu.**
