Attend the Career Fair Prep webinar via Zoom
January 30, 2024 | 7-8pm CST

This webinar will feature a presentation and advice from a career services professional about how to feel confident at UMJF this year. Information will be covered for both the in-person and the virtual fair. We’ll talk about where to go, what to wear, what to bring, and even what to do after the fair.

This is your chance to ask your specific questions!
Can’t make it? This webinar will be recorded and posted on this website
