

# Finding student's internet name on instructor's MyU class list

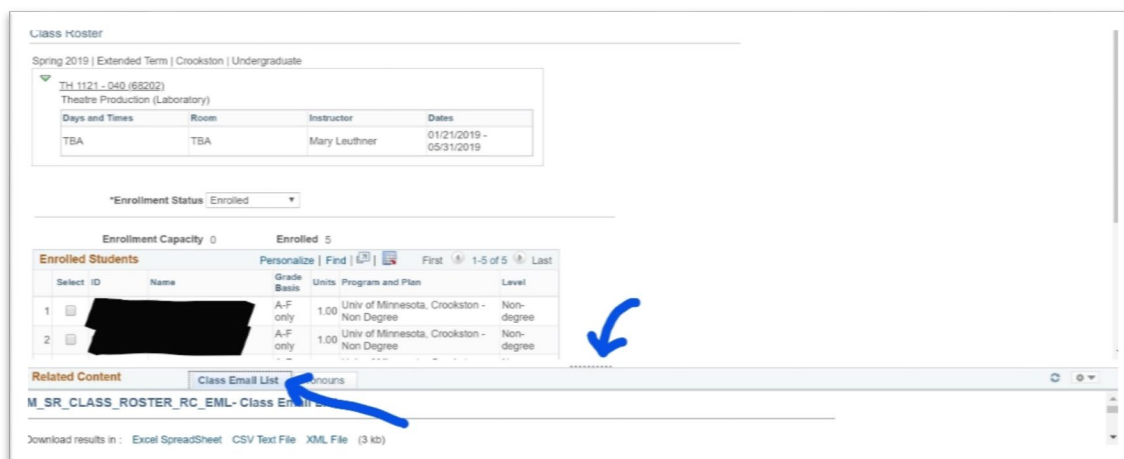

Go to MyU and click on Teaching, then on Class List

On your class list click on the upper right side labeled Related Content. Choose *Class Email List*.

Scroll to the bottom of the page, click and hold the dots as you pull up. This makes the bottom screen bigger. Click *Class Email List*. (your dots may be at the side of your page if your screen is split vertical instead of horizontal).

On the right side you can find their Internet ID (which is the first part of their email)
